

## FROM THE PRINCIPAL

Dear Parents and Community Members,

In the 2015-2016 school year, Claggett Creek Middle School received an overall rating of 4 out of 5. This indicates that we are meeting state expectations on math and English Language Arts. When compared to schools with similar demographics, Claggett Creek is above average.

Key academic highlights:

- Level 4 – Overall academic achievement
- Level 4 – Overall academic growth
- Level 4 – Individual subgroup growth

Although we saw improved achievement compared to the previous school year, there is a great deal of work to be done to move our students forward in their learning as they prepare for successful futures in college and careers. We have chosen to address this need by continuing to implement a college and career readiness system using proven AVID (Advancement Via Individual Determination) strategies.

You can continue to support our efforts by: monitoring homework, having your child read daily and by regularly communicating with our staff. We look forward to partnering with you over the coming year to make sure all our students reach their full potential as learners.

Thank you,

Principal | Rob Schoepper
