

**FROM THE PRINCIPAL**

Dear Parents and Community Members,

The 2016-17 school year was another successful year for Gubser School. Our over 550 students worked hard to reach their potential and meet grade level standards.

Like all schools, Gubser was not given an overall rating by the state of Oregon for the '16-'17 school year. However, we are proud of the hard work of our kids and are appreciative of the support and assistance we get from our parents and community. Our hard working staff is highly effective and very dedicated to the success of each student. Our parents and community are actively involved in supporting our school.

This year we will continue to implement the Common Core State Standards. We will strive to support all students to do their personal best and show growth in all areas. We will continue to provide a positive school culture and climate and help teach and reinforce positive behavior and effective social skills. Our goal is to support all students to be the best students and citizens that they can be. We welcome the support of the community and look forward to this being a great year for Gubser Gators!

Thank you,

Principal | Dave Bertholf

**STUDENTS**

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.
