FROM THE PRINCIPAL

Dear Parents and Community Members,

During the 2016-2017 school year, all students in the state took the statewide assessment called Smarter Balanced. The Smarter Balanced assessment is aligned with the Common Core State Standards taught and is a more in-depth assessment than previously used assessments. These content standards set high expectations for students. This means that expectations for student achievement are higher than they used to be. As a result, it is likely that fewer students will score at the higher achievement levels on the assessments, especially in the first few years of implementation. Results should improve as students have more years of instruction based on the new standards.

This was the third year the assessment was given, and no school received an overall State School Report Card Rating. However, you will see school wide results on the following pages but **no overall ratings were given to schools this year.**

Based on the results reported, Judson Middle School reported:

- Reading 65% met/exceeded state standards
- Math 54% met/exceeded state standards

Judson did receive a **Level 4** rating (scale 1-5) in the following areas:

- Academic Achievement

• Academic Growth

As part of our efforts to increase academic success for all of our students and to provide targeted instruction for our students in grades 6-8, our teachers have received additional training this summer to provide even higher quality instruction in our classrooms in reading, writing, and math. By continuing to focus on student growth and achievement we will strive to meet the learning needs of all of our students across all content areas.

You can continue to support our efforts by: checking your child's student planner every evening, monitoring homework, encouraging your child to read daily, and by communicating with our staff. You can review your child's grades at any time by signing up for ParentVUE in the Judson office. We look forward to continuing to partner with you to make sure all of our students reach their potential as learners!

As always, we thank you for being involved in your child's education and for being partners with us to ensure our students are college and career ready.

Thank you,

Principal | Alicia Kruska

IMMUNIZATION RATES

Percent of students with all required vaccines: 97
Percent of students without all required vaccines: 3

(The percent without required vaccines includes students with medical exemptions, nonmedical exemptions, no immunization records, or up-to-date but incomplete immunization records. Visit <http://www.healthoregon.org/immdata> for more information.)

When data are unavailable or to protect student confidentiality:

* refers to groups of less than 6 students.

<5 indicates that a percentage is less than 5%.

>95 indicates that a percentage is greater than 95%.

*** refers to a school that offers lunch at no charge to all students.

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.

SCHOOL PERFORMANCE

Performance of students enrolled in the school for a full academic year

Did at least 95% of the students at this school take required assessments? Yes No, Interpret Results with Caution
Participation rate criteria are in place to ensure schools test all eligible students.

2014-15 was the first operational year of the new English language arts and mathematics assessments.

The Smarter Balanced and alternate assessments have four performance levels where levels 3 and 4 are meeting the standard for school and district accountability.
