FROM THE PRINCIPAL

Dear Parents and Community Members,

This year's report card results indicate strengths and also areas for continued improvement. Reading, writing, math, critical thinking, and problem-solving skills will continue to be the focus of our instruction, as we ensure every student is successful at North Salem and beyond.

Here are some highlights from this year's report card:

- Our graduation rate increased from a level 3 to a level 4
- Our English Language Arts achievement growth rose from a level 3 to a level 4
- Our overall academic achievement maintained a level 4

We celebrate our improvement and seek growth for all North students. Our vision at North is that "all North Salem students will graduate with the skills and knowledge to continue their growth as positive contributors to a diverse

society." To realize this vision, we will continue to focus on instruction, student supports, advanced placement and career technical education opportunities, schoolwide AVID (Advancement Via Individual Determination) instructional strategies, and family collaboration as we continue to deliver rigorous instruction aligned to the Common Core State Standards.

We know that parent and guardian involvement is critical to student academic achievement. Some ways that parents and guardians can support their students are by attending our family nights, monitoring students' class work through ParentVue, attending conferences, and volunteering. We look forward to working with you as we ensure that all of our students "graduate with the skills and knowledge to continue their growth as positive contributors to a diverse society."

Thank you,

Principal | Sara Leroy

<5 indicates that a percentage is less than 5%.

>95 indicates that a percentage is greater than 95%.

*** refers to a school that offers lunch at no charge to all students.

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.

SCHOOL PERFORMANCE

Performance of students enrolled in the school for a full academic year

Did at least 95% of the students at this school take required assessments? Yes No, Interpret Results with Caution
Participation rate criteria are in place to ensure schools test all eligible students.

The Smarter Balanced and alternate assessments have four performance levels where levels 3 and 4 are meeting the standard for school and district accountability.

2014-15 was the first operational year of the new English language arts and mathematics assessments.
