

Salem-Keizer Public Schools 2009-10 Strategic Plan

Mission Statement: In partnership with the community, we ensure that each student will have the essential knowledge, skills and attitudes to be a lifelong learner, a contributing citizen and a productive worker in a changing and increasingly diverse world.

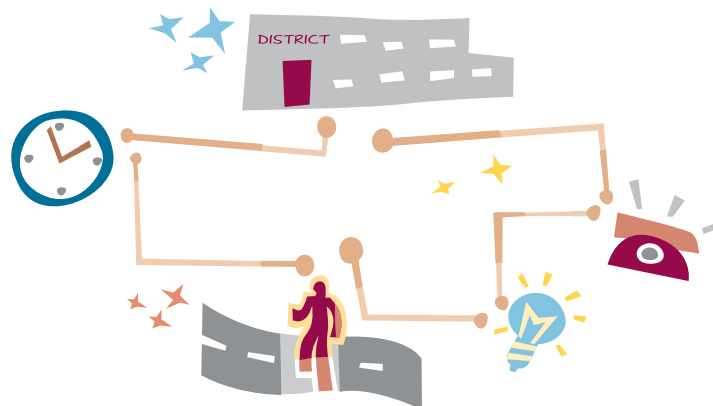

Improve Student Achievement

1. Refine and continue the implementation of formative assessment systems and the data warehouse with an emphasis on the use of student data to inform instruction.
2. Continue to develop and align core standards, instructional strategies, and assessments into a coherent K-12 instructional framework.
3. Continue to implement the common literacy model, including the Comprehensive Program Model for English Language Acquisition.
4. Continue to enhance the Academy for Teaching and Learning through coordinating focused, quality, sustainable professional development for all staff.
5. Continue to develop and implement differentiated instructional strategies for ALL students with emphasis on ELL, TAG and Special Education.

An Effective Organization to Support Student Achievement

6. Enhance strategies for hiring quality staff with a focus on diversity.
7. Expand the Quality Assurance Model (QAM) and continue to develop staff awareness.
8. Implement the plan to improve facilities.
9. Align transportation services with district priorities.

Leadership Development

10. Raise student achievement through the use of research-based leadership skills.

Public Engagement

11. Implement a public engagement plan to support student achievement and raise the trust level of internal and external stakeholders regarding the budget and the construction bond.
